

# WMS Facts Crossword Puzzle

Warehouse  
Management  
System

Organizational Change Management  
Communications – Contest 1

# Clues

Across	Down
8. WMS will be ____ friendly.	1. What is the name of the vendor that sells the WMS software?
9. What does the M in WMS stand for?	2. What process will track tires and brakes in WMS? (Hint: the 'out' version).
10. What does the O in OCM stand for?	3. For how long will WMS track a part's history? ____ years.
11. WMS will use HJ One terminal and a ____ device.	4. What will be the new WMS name for Binning?
12. Who is responsible for establishing awareness about the WMS program and ensuring all warehouse operations personnel are trained and proficient in using the new WMS system?	5. Storekeepers will be able to ____ labels.
15. Denver has the most common ____ , which is why it is the first Go Live station.	6. Kan Bans will be replenished by storekeepers using the _____ process.
16. What will WMS go on top of?	7. What does RF stand for?
17. What does LP stand for?	13. If you have a question or a comment, you email ____@email.com.
	14. What station is the first Go Live?

The due date for this contest is **11:59 PM on Friday January 1, 2010**. Please email your submission to the program box, xyz@email.com .

You may work with your fellow storekeeper or ask for help from our email box. However, all the answers can be found in the FAQ sent out with this email. You will not be eligible for the raffle unless the crossword is completed correctly. Once the deadline has passed, three winners will be randomly drawn in the following week from the pool of correct submissions. Prizes will be distributed by your upper management.

Good luck!

Communications – Contest 1 December

## **CONTEST ANNOUNCEMENT**

Subject: WMS Program Contest Announcement

To: Warehouse & Distribution Storekeepers

From: WMS OCM Program Team

Team,

In preparation for the WMS Go Live, we have been sending out communications relaying important WMS information that you, the Storekeepers, should be informed of. These communications have come in forms of emails, documents, site visits, and even a Flying Together Landing Page. Now, it is time to test your knowledge!

From now until Go Live, we will be conducting monthly contests ranging from questions to puzzles. We will draw 3 random winners each month who have successfully completed the challenges to receive a small prize (trust us when we say they are very cool prizes). We hope these contests will bring forth more excitement and awareness for the WMS system!

For this month, we will be conducting a crossword puzzle that will test your current WMS knowledge and terminology. For those of you who need a WMS reference to complete the puzzle, the questions will be based on the WMS FAQs that we have handed out previously.

You will have one week to complete the puzzle so that all shifts have a chance to participate. Feel free to work together, or to email us at [xyz@email.com](mailto:xyz@email.com) if you have any questions about contest rules.
